FOREWARD

This Manual supersedes all previous versions of Annexure A, By-laws.

Annexure A, By-laws is a reference for all persons involved in the day-to-day management, administration, coaching, playing and officiating of all Soccer clubs affiliated with the Sunshine Coast Churches Soccer Association (SCCSA). This includes Management Committees, Club Volunteers, Team Coaches, Managers, Referees, First Aid Personnel, Players, Parents and Spectators.

The Council of Clubs of the SCCSA is the only body that can approve amendments to this document. The process is as follows:

- Any SCCSA club can propose an amendment, and the timing of this is such that a minimum notice of 14 days must be given to clubs prior to a Council of Clubs meeting,
- Amendments are approved by a motion at a Council of Clubs meeting.

All amendments will be issued under covering advice from SCCSA Administration staff.

The rules detailed in this document will be operative and enforced for all rulings and proceedings from the date of issue.

INTRODUCTION

The rules detailed within this Manual are to ensure the common interpretation and consistent application across all Soccer clubs affiliated with the Sunshine Coast Churches Soccer Association and provide the framework under which all Soccer is administered within the Sunshine Coast area.

The rules detailed in this Manual have been written in good faith; however, the SCCSA Executive Committee reserves the right to modify or override any rule that unintentionally hinders or favours any affiliated club, their officials, players and staff.

In the event of the Association waiving a breach of the rules by any SCCSA member on a particular occasion, this does not waive any subsequent default or breach of the same or any similar rule.

In the event of Executive or Administration staff inadvertently giving incorrect advice on any of the rules of the Association, this does not preclude subsequent withdrawal of that advice, and in no way establishes a precedent that the particular rule can be waived.

DEFINITIONS AND INTERPRETATION

Where the term 'SCCSA' is used in the following Manual, the full Executive Committee of the Sunshine Coast Churches Soccer Association and their affiliated clubs is intended.

Where the term 'Executive' is used, the Office Bearers of the SCCSA (as defined by the Constitution of the Sunshine Coast Churches Soccer Association) is intended.

Where the term 'Nominee' is used, person or persons given specific roles within the Association by the SCCSA is intended.

In the interpretation of these Rules, unless the context otherwise requires:

- singular includes plural and vice versa,
- any gender includes the other gender,
- mentioning anything after 'include', 'includes' or 'including' does not limit what else may be included, and
- headings used for ease of reference are not to be interpreted as forming part of these Rules.

3. REGISTRATION OF PLAYERS

3.A Registrations

- (i) Ages: for the current season team ages shall be determined by player birth age between 1st July of the preceding year to 31st December of the current year. A player must be 5 years of age in that year before they can participate.
- (ii) All players must be registered with a SCCSA affiliated club in order to play in SCCSA Tournaments & Fixtures and friendly matches.
- (iii) A player is registered with the relevant SCCSA club once registration has been completed online and SCCSA registration fee has been paid.
- (iv) Each player in a competitive age group is to be allocated a jersey number which remains the same for the entire season wherever possible.
- (v) If an unregistered player takes part in a fixture game for a competitive team, the result of the game will be recorded as a forfeit against the team that fields the unregistered player. At the discretion of SCCSA Executive, fines may apply also – refer Section 12 Fines, Bonds and Penalties.
- (vi) Players must be registered as a junior to be eligible to play in the junior competition. To clarify – a player allocated only to a Senior team may not participate in the junior competition.
- (vii) SCCSA may refuse, reject or cancel any player registration.
- (viii) SCCSA fees are non-refundable and are determined in the pre-season by SCCSA Executive. Refer also to Refund Policy.
- (ix) Clubs shall not actively grade or recruit players for the purpose of loading teams. If a club is suspected of doing so, SCCSA will require the Club Committee to provide an explanation. SCCSA may apply a penalty as they see fit.
- (x) Clubs shall not actively entice or poach players from other SCCSA clubs. SCCSA will investigate any reports of activity of this nature and apply an appropriate penalty as they see fit.

Definition of 'poaching'

For the purpose of this rule, poaching is defined as a direct approach to a player, by a coach or any official or person associated with a club, to entice that player to move from the club they are registered with to the club represented by the person making the approach.

Definition of 'enticement'

Enticement is anything offered to a player as incentive to change clubs, and that may include, but is not limited to, a promise of better playing conditions, free apparel, payment or promise of payment.

Notwithstanding these definitions, it is the actual approach to the player that constitutes a breach of the Rule.

3.B Player Restrictions

- (i) Players cannot play up more than two age divisions without prior written permission

from SCCSA.

This note is to clarify where considering this rule in terms of combined age groups – a 14 year old player is allowed to play up in Under 16/17 division, because the wording states “age division” and not “age”.

Application to play up 3 age divisions must be made on Form B Application for Player Dispensation, and submitted for **full approval** by SCCSA, before the player is allowed to play in the requested age group. If a player participates in a game 3 age divisions above their own age without prior approval from SCCSA, the result of the game will be recorded as a forfeit against the team that fields the ineligible player. At the discretion of SCCSA Executive, fines may apply also – refer Section 12, Fines, Bonds and Penalties.

- (ii) A player must be turning 9 or older in the current year to play in competitive age groups unless they have successfully obtained permission to enable them to play up three age groups in the previous season, then by-law 3.B (i) applies.
- (iii) Registered “B” division players may play in “A” division competitions in the same age group but NOT vice versa after round 3 (grading rounds). If a higher division player participates in a game in a lower division of the same age, the result of the game will be recorded as a forfeit against the team that fields the ineligible player. At the discretion of SCCSA Executive, fines may apply also – refer Section 12, Fines, Bonds and Penalties.
- (iv) A Player who participates as a fill-in player in six (6) games in a higher division will then be considered to belong to that higher division team. This includes Under 9 and Under 10 registered players playing in the competitive age divisions.
- (v) A player may only play in the Finals Series in **one** team. Refer to Section 7 (Finals Series) for more information.
- (vi) Junior female players are allowed to play down one age division, without having to apply for Age Dispensation.
- (vii) Where a club has two or more teams in a division which requires grading, players are only permitted to play in one of those teams after round 3 (grading rounds). If a player participates in games for a team not their own, and within the same division, the result of the game will be recorded as a forfeit against the team that fields the ineligible player.

Where a club has two or more teams in a competitive division which does not require grading, players are only permitted to play in one team for the whole season. If a player participates in games for more than one team in their same division, the result of the game will be recorded as a forfeit against the team that fields the ineligible player.

At the discretion of SCCSA Executive, fines may apply also – refer Section 12, Fines, Bonds and Penalties.

- (viii) If a player is registered in an older age group they cannot play down or be borrowed by their correct age group. This includes players who have received dispensation to play down two ages. If a player who has received dispensation participates in an incorrect aged team in a competitive age group, the result of the game will be recorded as a forfeit against the team that fields the ineligible player. At the discretion of SCCSA Executive, fines may apply also – refer Section 12, Fines, Bonds and Penalties.

- (ix) If an over age player participates in a game in a lower age group, the result of the game will be recorded as a forfeit against the team that fields the over age player. At the discretion of SCCSA Executive, fines may apply also – refer Section 12, Fines Bonds and Penalties.

Age Dispensations

- (x) The application is submitted in the first instance to SCCSA Administration, who will then forward the application on to the SCCSA Director of Coaching/SCCSA Executive. The deadline for receipt of applications for a player wanting approval before a Saturday game is noon on the Thursday preceding the game. Any club lodging an application after that time will be advised that the dispensation request cannot be considered before the upcoming game.
- (xi) Up to three (3) Dispensation Assessment nights will be scheduled in the pre-season, for the SCCSA Director of Coaching/SCCSA Executive to assess applications. Players are required to complete the dispensation request form and lodge with SCCSA Administration to notify that they require assessment prior to the Dispensation Assessment date, and bring a copy of the form with them to the assessment session. Any player who attends the Assessment session without prior advice will not be assessed. Late applications which require the SCCSA Director of Coaching/SCCSA Executive to visit the club to conduct dispensation assessment will incur a fee of \$100.
- (xii) With the exception of automatic dispensations - junior females playing down one age, or the limited allowances in rule 3.B (xvi), applications for Age Dispensation (to play down one age group) require completion of form B – Application for Player Dispensation, **and full approval** by SCCSA before the player is allowed to play in the requested age group. Applications submitted on any game day, and verbal requests will not be considered by the SCCSA Director of Coaching. Refer also to SCCSA's Age Dispensation Policy.
- (xiii) Age Dispensation approvals (or copies) must be available for scrutiny, if requested, by the Referee on game day.
- (xiv) Current representative players excluding junior females, cannot play an SCCSA fixture an age lower than their representative age team unless dispensation has been granted, or unless the executive determines an exceptional circumstance.

If a current representative player participates in a lower age SCCSA fixture game in a competitive age group, the result of the game will be recorded as a forfeit against the team that fields the ineligible player. At the discretion of SCCSA Executive, fines may apply also – refer Section 12, Fines Bonds and Penalties.

If a current representative player plays up as a 'fill-in' player in a team resulting in the number of representative players in that team to be over the limit of five (5), taking into consideration rule 3 C ("home-grown" rule), the result of the game will be recorded as a forfeit against the team that fields the ineligible player, and a fine of \$20 will apply – refer Section 12, Fines, Bonds and Penalties.

- (xv) No over age player is allowed to play down into the U16/17 Age Group unless the Executive determine an exceptional circumstance. This excludes female players wishing to play down one year (By-law 3B vi) or the limited allowances in rule 3B (xvi).

(updated 4/3/24)

- (xvi) The number of players in a team, whose date of birth is in the second half of the year preceding the current year, is to be limited to the following:
- a. U6 – U8: 2 players
 - b. U9 – U10: 3 players
 - c. U11 – U17: 4 players

Clubs are responsible for checking the above limits and organising applications for dispensation to play down one age group when numbers of these 'second half of the year' players exceed the above limits.

3.C Representative Players in a club team

(DEFINITION: A representative player is a player who is selected into a representative team to represent the SCCSA. This does not apply to development squads (also known as Academy squads).

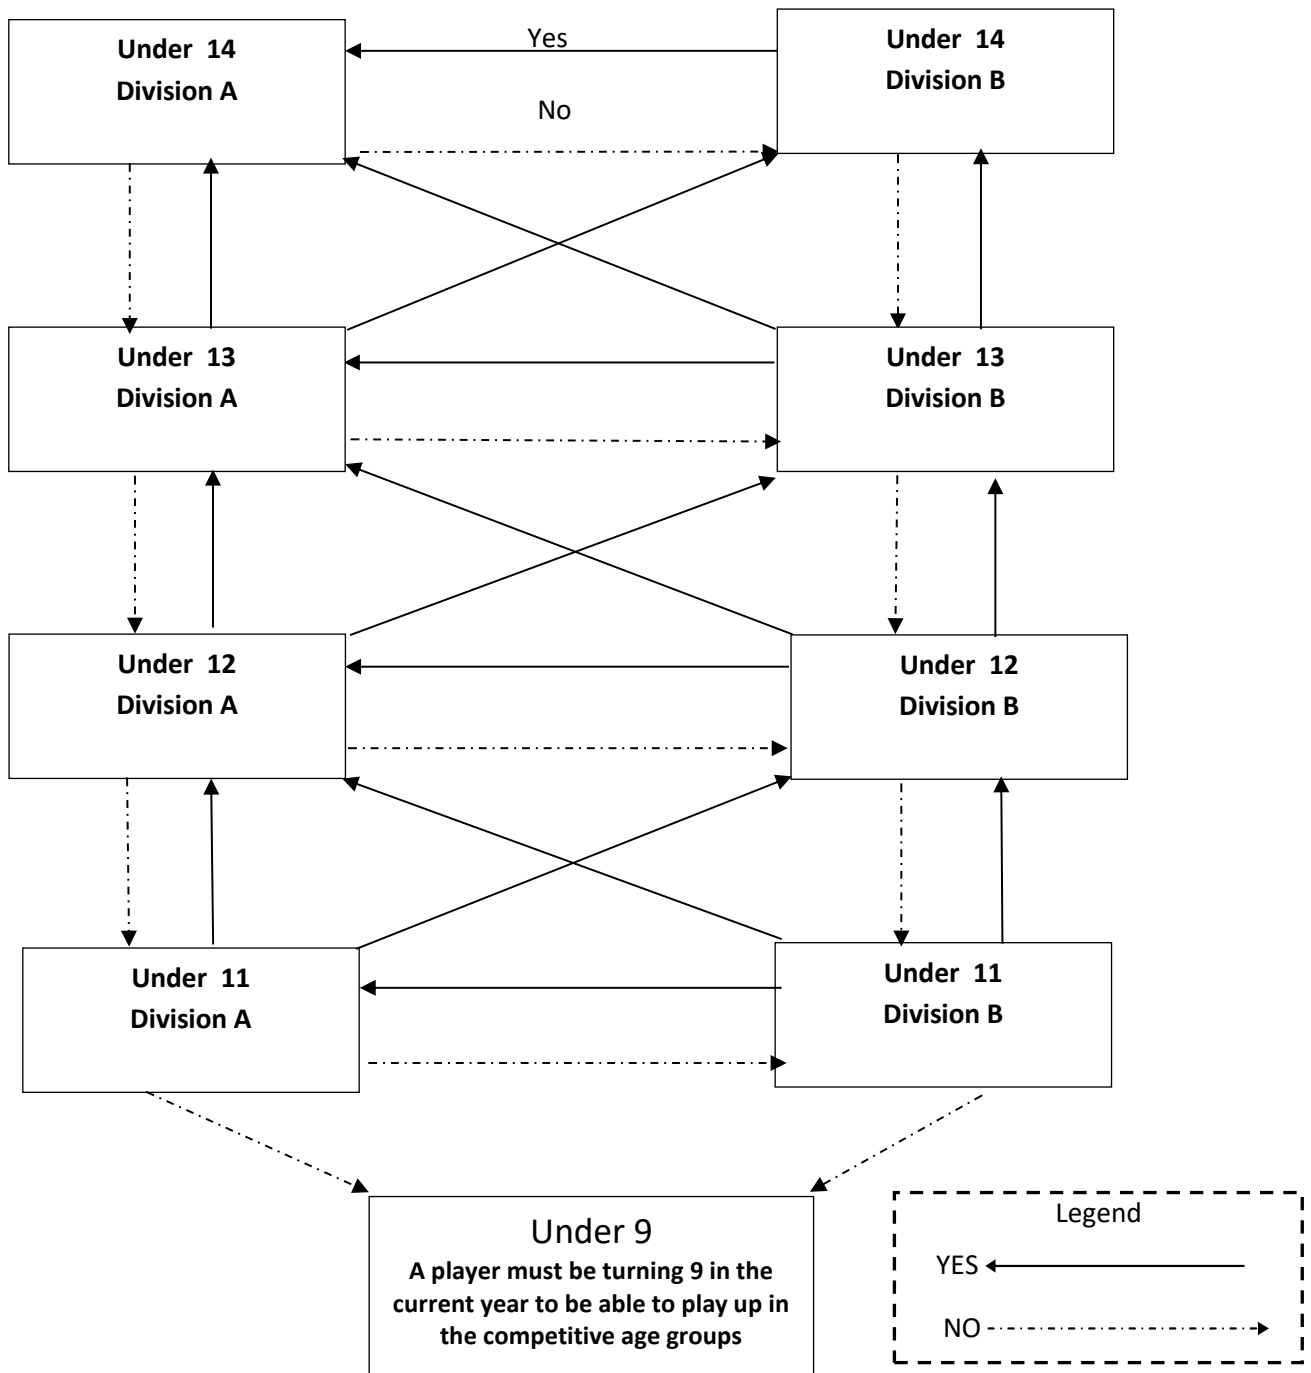

Only (5) five representative players are allowed in a club team unless all representative players have played for that **Club** for the last 3 years and/or relocated to the area or have not been registered in a SCCSA club in the preceding two (2) years. This rule can be reviewed by the SCCSA Executive should a club not be able to fulfil these criteria, but this does not mean that clubs should accept transfers in by representative players, then apply for exemption to this rule – clubs are responsible for checking the limit of representative players per team **before** accepting any registration of a representative player.

Additionally, clubs must monitor teams which have representative players, in terms of making sure that "fill-in" players for games do not make the team exceed the limit of 5 representative players. Fines apply – refer to Section 12, Fines, Bonds and Penalties.

- stops, suspends or abandons the match, at his discretion, for any infringements of the Laws,
- stops, suspends or abandons the match because of outside interference of any kind,
- stops the match if, in his opinion, a player is seriously injured and ensures that he is removed from the field of play,
- allows play to continue until the ball is out of play if a player is, in his opinion, only slightly injured,
- ensures that any player bleeding from a wound leaves the field of play. The player may only return on receiving a signal from the Referee, who must be satisfied that the bleeding has stopped.
- allows play to continue when the team against which an offence has been committed will benefit from such an advantage and penalises the original offence if the anticipated advantage does not ensue at that time,
- punishes the more serious offence when a player commits more than one offence at the same time,
- takes disciplinary action against players guilty of cautionable and sending-off offences. The Referee is not obliged to take this action immediately but must do so when the ball next goes out of play.

- acts against team officials who fail to conduct themselves in a responsible manner and may, at his discretion, expel them from the field of play and its immediate surrounds,
- ensures that no unauthorised persons enter the field of play,
- indicates the restart of the match after it has been stopped, and
- completes the online team sheet, which includes Fairplay points and information on any disciplinary action taken against players and/or team officials and any other incidents that occurred before, during or after the match.

The decisions of the Referee regarding facts connected with play, including whether a goal is scored and the result of the match, are final.

The online team sheet must be correctly filled out before the start of the match. A player arriving late may take part in the game once the Referee has been notified and their equipment has been checked. The late player must be added to the online team sheet list before they take the field.

LAW 6 – THE ASSISTANT REFEREE

There are no Assistant Referees allocated to these matches, however the Referee may give permission to a responsible person from each team to indicate when the ball is out.

LAW 7 – THE DURATION OF THE MATCH

The duration of the match is two 25 minute halves with a 5-minute break at halftime. Time is started by the appointed Referee whether the teams are ready or not. There is no time added for stoppages or injuries.

LAW 8 – THE START AND RESTART OF PLAY

A kick-off is a way of starting or restarting play, for the start of the match, after a goal has been scored, the start of the second half.

A goal may be scored directly from the kick-off.

The procedure for a kick off;

- At the start of the match teams must enter the field of play from the halfway mark, in a line after the Referee has signalled them by a whistle to come on.
- A coin is tossed and the team that wins the toss decides which goal it will attack in the first half of the match.
- The other team takes the kick-off to start the match; therefore, the team that wins the toss takes the kick-off to start the second half of the match.
- In the second half of the match, the teams change ends and attack the opposite goals.
- After a team scores a goal, the kick-off is taken by the other team.
- All players must be in their own half of the field of play.
- The opponents of the team taking the kick-off are at least 7 m from the ball until it is in play.
- The ball must be stationary on the centre mark.
- The Referee gives a signal.
- The ball is in play when it is kicked.
- The kicker must not touch the ball again until it has touched another player.

If the player taking the kick-off touches the ball again before it has touched another player, then a 2nd attempt is given. If the same infringement occurs after the 2nd attempt an indirect free kick is awarded to the opposing team to be taken from the position of the ball when the infringement occurred.

In the event of any other infringement of the kick-off procedure, then the kick-off is retaken.

A dropped ball is a method of restarting play when, while the ball is still in play, the Referee is

required to stop play temporarily for any reason not mentioned elsewhere in the Laws of the Game.

The Referee drops the ball at the place where it was located when play was stopped, unless play was stopped inside the goal area, in which case the Referee drops the ball on the goal area line parallel to the goal line at the point nearest to where the ball was located when play was stopped. Play restarts when the ball touches the ground.

If any of the following infringement occurs, the ball is dropped again:

- If it is touched by a player before it makes contact with the ground, or
- If the ball leaves the field of play after it makes contact with the ground, without a player touching it.

LAW 9 – THE BALL IN AND OUT OF PLAY

The ball is out of play when it has wholly crossed the goal line or touch line whether on the ground or in the air or play has been stopped by the Referee.

The ball is in play at all other times, including when it rebounds off a goalpost, crossbar or corner flag post and remains in the field of play or it rebounds off the Referee when they are on the field of play.

LAW 10 – THE METHOD OF SCORING

All players are allowed to play and score within the semi-circle (goal area).

A goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, provided that no infringement of the Laws of the Game has been committed previously by the team scoring the goal.

LAW 11 – OFFSIDE

It is not an offence to be in an offside position. Offside becomes an offence when the player in an offside position becomes involved in active play.

Offside will not be penalised in this game, however deliberately placing a player in a position to gain unfair advantage is contrary to the spirit of the game and is discouraged. The Referee can verbally caution the players doing this or penalise such as unsporting behaviour.

LAW 12 – FOULS AND MISCONDUCT

Fouls and misconduct are penalised as follows:

A free kick is awarded to the opposing team if a player commits any of the following offences in a manner considered by the Referee to be careless, reckless or using excessive force:

- kicks or attempts to kick an opponent,
- trips or attempts to trip an opponent,
- jumps at an opponent,
- charges an opponent,
- strikes or attempts to strike an opponent,
- pushes an opponent,
- tackles an opponent,
- holds an opponent,
- spits at an opponent,
- handles the ball deliberately,
- plays in a dangerous manner,
- impedes the progress of an opponent,
- prevents the goalkeeper from releasing the ball from his hands, or
- commits any other offence, not previously mentioned, for which play is stopped to caution or send off a player.

A free kick is awarded to the opposing team if a goalkeeper, commits any of the following offences:

- controls the ball with his hands for more than six seconds before releasing it from his possession,
- touches the ball again with his hands after he has released it from his possession and before it has touched another player,
- touches the ball with his hands after it has been deliberately kicked to him by a team-mate, or
- touches the ball with his hands after he has received it directly from a throw-in taken by a team-mate.

A player is cautioned and shown the yellow card if he commits any of the following seven offences:

- unsporting behaviour,
- dissent by word or action,
- persistent infringement of the Laws of the Rooball,
- delaying the restart of play,
- failure to respect the required distance when play is restarted with a corner kick, free kick or throw-in, or
- deliberately leaving the field of play without the Referee's permission.

An interchange player is cautioned if he commits any of the following three offences:

- unsporting behaviour,
- dissent by word or action, or
- delaying the restart of play.

A player or interchange player is sent off if he commits any of the following seven offences:

- serious foul play,
- violent conduct,
- spitting at an opponent or any other person,
- denying the opposing team a goal or an obvious goal scoring opportunity by deliberately handling the ball (this does not apply to a goalkeeper within his own goal area),
- denying an obvious goal scoring opportunity to an opponent moving towards the player's goal by an offence punishable by a free kick or a penalty kick,
- using offensive, insulting or abusive language and/or gestures, and
- receiving a second caution in the same match

A player or interchange player who has been sent off must leave the vicinity of the field of play and the technical area.

LAW 13 – FREE KICKS

A free kick is awarded for any of the offences outlined in Law 12. All free kicks in this game are indirect.

The Referee indicates an indirect free kick by raising his arm above his head. He maintains his arm in that position until the kick has been taken and the ball has touched another player or goes out of play.

A goal can be scored only if the ball subsequently touches another player before it enters the goal.

If an indirect free kick is kicked directly into the opponents' goal, a goal kick is awarded and if an indirect free kick is kicked directly into the team's own goal, a corner kick is awarded to the opposing team.

The ball must be stationary when the kick is taken, and the kicker must not touch the ball again until it has touched another player.

All opponents must be at least 7 m from the ball until it is in play. When a free kick is taken and the opponent is closer to the ball than the required distance, the kick is retaken.

The ball is in play when it is kicked and moves.

LAW 14 – THE PENALTY KICK

There are no penalty kicks in this game. If a free kick is awarded to the attacking team inside the goal area, the kick must be taken from the edge of the semi-circle. Defending players may stand on their goal line.

LAW 15 – THE THROW IN

A throw-in is a method of restarting play.

A throw-in is awarded to the opponents of the player who last touched the ball when the whole of the ball crosses the touch line, either on the ground or in the air.

A goal cannot be scored directly from a throw-in.

At the moment of delivering the ball, the thrower:

- faces the field of play
- has part of each foot either on the touch line or on the ground outside the touch line
- holds the ball with both hands
- delivers the ball from behind and over his head
- delivers the ball from the point where it left the field of play

All opponents must stand no less than 2 m from the point at which the throw-in is taken.

The ball is in play when it enters the field of play.

After delivering the ball, the thrower must not touch the ball again until it has touched another player.

If, after the ball is in play, the thrower touches the ball again before it has touched another player, a free kick is awarded to the opposing team, to be taken from the place where the infringement occurred.

If an opponent unfairly distracts or impedes the thrower, he is cautioned for unsporting behaviour.

For any other infringement of this Law the throw-in is retaken by the player for a 2nd attempt. Following two foul attempts possession passes to the opposing team.

LAW 16 – THE GOAL KICK

A goal kick is a method of restarting play.

A goal kick is awarded when the whole of the ball passes over the goal line, either on the ground or in the air, having last touched a player of the attacking team, and a goal is not scored in accordance with Law 10.

A goal may be scored directly from a goal kick, but only against the opposing team.

A goal kick is kicked from any point within the goal area by a player of the defending team.

Opponents must remain 7m from the ball until it is in play.

The kicker must not play the ball again until it has touched another player.

If, after the ball is in play, the kicker touches the ball again before it has touched another player, a free kick is awarded to the opposing team.

In the event of any other infringement of this Law, the kick is retaken.

LAW 17 – THE CORNER KICK

A corner kick is a method of restarting play.

A corner kick is awarded when the whole of the ball passes over the goal line, either on the ground or in the air, having last touched a player of the defending team, and a goal is not scored in accordance with Law 10.

A goal may be scored directly from a corner kick, but only against the opposing team.

The ball must be placed inside the corner arc nearest to the point where the ball crossed the goal line.

The corner flag post must not be moved.

Opponents must remain at least 7 m from the corner arc until the ball is in play.

The ball must be kicked by a player of the attacking team.

The ball is in play when it is kicked and moves.

The kicker must not play the ball again until it has touched another player.

If, after the ball is in play, the kicker touches the ball again before it has touched another player, a free kick is awarded to the opposing team.

In the event of any other infringement of this Law, the kick is retaken.

TECHNICAL AREA

Each field should have an area marked out as a technical area for each team either side of the halfway line. It should be at least 2m from sideline.

THE TECHNICAL AREA IS THE DESIGNATED SEATING AREA FOR THE COACH, MANAGER AND PLAYERS. ONLY ONE COACH, ONE MANAGER AND INTERCHANGE PLAYERS WHO HAVE BEEN ENTERED ON THE TEAM SHEET AND CAPABLE OF TAKING THE FIELD ARE ALLOWED IN THE TECHNICAL AREA.

Players who are injured prior to the game and therefore are not participating in the game must not be in the technical area.

Interchange players are to remain seated while in the area unless preparing to take the field. They should warm up behind the technical area. They are to stand only when about to take the field, at which point they will come to the halfway mark.

Coaches and managers are to encourage parents and spectators to sit on the opposite side of the technical area where grounds allow for this or at least 3m from the technical area.

THE COACHES

Coaches are not permitted to enter the field of play unless called on by the Referee.

Coaches may walk their team's defensive sideline ONLY after requesting permission from the Referee.

SPECTATORS

- are not to be in the technical area and must be at least 3 metres away from the technical area, and
- are not allowed to stand along the goal line or behind the goals to a distance of 7 metres.

GAMES ARE NON-COMPETITIVE (There are no points tables or championships). Children should be given equal time.

TIME OF PLAY: 2 x 20 minutes (5 minutes half time break). Games will start at the advertised time; there is no time added on for stoppages or injuries.

THE PLAYERS: Teams each consist of not more than 6 (six) players and 3 (three) interchange players. One player must be the goalkeeper whose shirt must be readily distinguishable from those of the other players. All players must wear training shoes or soccer boots and shin pads. Only goalkeepers may wear caps. Field players may wear soft brimmed hats. Players may be interchanged (3 players per team) at any time. Interchanging is encouraged to provide all players equal game time.

Coaches are permitted on the full field to give his/her players guidance but must stay away from the goal area. The coach or a parent is expected to referee one half of the game. _

TO START: Before the match begins the referee/coach will toss a coin. The team winning the toss chooses ends, the other team kicks off from the centre mark. Opponents must be **6** metres from the ball. From a kick-off, the ball can be played in any direction, and the kicker must not play the ball again until it has touched another player. The kick-off is taken by the side that did not start the game.

IN/OUT OF PLAY: The ball is not out of play until the **whole** of the ball has crossed the **whole** of the goal line or touch line. The lines are part of the field of play. The ball is still in play if it rebounds off the goalpost, crossbar, corner flag or referee into the field of play.

THROW-INS: A throw-in is awarded to the opponents of the last player to touch the ball before it wholly crossed the touchline. The thrower must face the field, keep part of both feet on the ground either on or behind the touchline, delivering it from behind his/her head using both hands. A player who has thrown in the ball shall not play it again until it has touched another player. Coaches/Referees may assist players to achieve the correct method. A second attempt is given. Following 2 foul attempts, possession passes to the opposing team. A goal can not be scored direct from a throw-in.

GOAL KICKS: A goal kick is awarded to the defending team when the ball wholly crosses the goal line, other than between the posts, and was last touched by one of the attacking team. Opponents must be **6** metres away from the ball. Only the goalkeeper is permitted to take the goal kick. A goal can be scored directly from a goal kick.

CORNER KICK: A corner is awarded to the attacking team when the ball wholly crosses the goal line, other than between the posts, and was last touched by one of the defending team. The kick is taken at the nearest corner. The corner flag may not be removed. Opponents must be **6** metres away from the ball. A goal can be scored directly from a corner kick.

FREE KICK: A free kick is awarded to the opposing team for foul play, dangerous play, obstruction, handball by a field player or an intentional back pass or throw-in that is handled by the goalkeeper. All free kicks are **indirect** – a goal can **not** be scored unless the ball touches another player before it goes into the goal. All opposing players have to be **6** metres away from the ball. If a free kick is awarded to the attacking team within or close to the semi circle, the free kick is to be taken **6** metres from the semi circle. Defending players may stand on the semi circle if they wish.

OFF SIDE: There is **NO** off side in Roo Ball, but deliberately placing a player in an “off side” position is contrary to the spirit of the game and is to be discouraged.

SCORING: A goal can only be scored from outside of the semi circle. A goal is awarded if the whole of the ball has crossed the whole of the goal line between the posts and under the cross bar.

REFEREE: There are no official referees in these age groups, the coaches or parents do this. The online team sheet must be completed before the start of the game.

LINESPERSONS: A responsible person may be appointed by each team to indicate when the ball is out of play.

GOALKEEPERS: Only the goalkeepers are permitted inside the semi circle. They are allowed to handle the ball within this area, however, a goalkeeper may not pick up the ball with his/her hands from an intentional back pass or throw in from a team mate. This does not apply to an accidental back-pass or a headed back-pass. The goalkeeper must play the ball within 6 seconds of controlling it. If a defending team continually plays the ball inside the semi circle, a free kick should be awarded to the attacking team.

NOTE: A player who is bleeding must leave the field. Nobody is allowed within a **6** metre radius behind, or either side of the goals.

Summer Competition Rules

These rules are available for download from the SCCSA website – click [here](#).

All FIFA rules apply outside of the following modifications:

- Only six (6) players are on the field at any one time.
- Unlimited interchange. (Interchange during play is permitted.)
- A goal can only be scored by kicking the ball from outside the semi-circle.
- If a player is inside the semi-circle he/she has the following options:
 1. Head the ball into the goal, or
 2. Kick or pass the ball outside the semi-circle and then a goal may be scored.
- If a player kicks a goal from inside the semi-circle, then a free kick is awarded to the defending team.
- The goalkeeper may not throw, kick or by any other means, the ball over the halfway line on the full. This is the same from a goal kick, penalty inside the circle or a kick out into play. (This rule is in place because of the small field sizes).
- Should the above rule be broken a free kick to the opposite team on the halfway line close to where the ball landed is awarded.
- No offside rule is in place. However, it is not good sportsmanship to place players up close to the opposing goalkeeper and this should bring on a warning.
- If a goal is scored by a player who would normally be considered to be in an offside position (very obvious) then the goal should be disallowed.
- Red & Yellow cards can still be used for the most serious of incidents.
- 2 x 20-minute halves with a 5-minute break at half time will be played.
- All Free Kicks are indirect, so they must touch another player before scoring a goal.
- No player is allowed to slide at the ball or tackle. If a player goes to ground trying to play the ball or slides, an indirect free kick is given.

No team will take to the field without having completed the online team sheet.

This competition is a means to maintain fitness over the summer months and should be played and refereed with fun in mind at all times.

Complaints Procedure

This procedure is for both internal and external complaints procedures for SCCSA. The internal procedure includes both informal and formal complaint processes.

Internal

Informal Process

1. The complainant makes an initial approach to their choice of one of the following people, who then provides information about whether the behaviour will be accepted as an official complaint and about options for resolution.
They are:
 - A Coach or Manager
 - A colleague
 - An official of the club (as appropriate)
2. The person approached must clarify whether the complainant wants them to act as a mediator or simply wishes to talk the matter through with them. If the complainant does want them to help resolve the complaint, then they will do this at an informal level. In an official role, they must do so in an impartial manner with respect to both parties.
3. There is no written complaint at this stage, however the person approached should note details of the issue and retain for records. Records pertaining to the informal process should be kept until the commencement of the next season.

Formal Process

(i) When a written complaint is sent or received by a club the following actions **MUST** be taken:

1. The sending club shall forward an information copy to SCCSA Admin
2. The receiving club shall return an acknowledgement of receipt
3. The receiving club will have 7 days to respond and if unable to do so within this time frame they must inform the complainant club and SCCSA Admin with a reason why
4. The complaint will be responded to in its entirety
5. If the complainant club is not satisfied with the respondent clubs action/s, then the matter shall be referred to SCCSA Admin for the executive to intervene as follows.

(ii) The typical steps for an investigation consistent with the principles of natural justice are:

1. The complainant is interviewed, and the complaint is documented in writing;
2. The allegations are conveyed to the alleged in full;
3. The alleged is given the opportunity to respond;
4. If there is a dispute over the facts, statements from witnesses and other relevant evidence are gathered;
5. A finding is made as to whether the complaint has substance; and
6. A report documenting the investigation process, the evidence, the finding and the recommended outcome/s is submitted to the decision-maker. The decision-maker for Sunshine Coast Churches Soccer Association shall be the President.

Both parties are entitled to support through this process from their chosen support person/adviser.

If the report is endorsed by the decision-maker, the organisation then carries out the recommendations of the report. These may include such actions as an apology, counselling, a fine, dismissal or withdrawal of official duties.

Both the complainant and the respondent have the right to appeal against the findings of the investigator/panel or against the resulting recommended action if they have any concerns about procedure, bias or fairness. Appeals are handled by an appeal panel made up of members other than those who conducted the original investigation.

The appeal body can:

1. Uphold the decision of the investigator/panel,
2. Reverse the decision of the investigator/panel, and/or
3. Modify any of the investigator/panel's recommendations for disciplinary action or remedial measures.

External

A complainant may be dissatisfied with the outcome of complaint procedures within Sunshine Coast Churches Soccer Association as a whole or may not wish to use procedures internal to the Association at all because of a lack of confidence in the Association. In certain cases, the complainant can utilise complaint procedures external to Sunshine Coast Churches Soccer Association.

For instance, harassment of various kinds is unlawful under state and federal anti-discrimination laws in Australia, and complaints under these laws are dealt with by state and federal antidiscrimination bodies.

A person experiencing harassment can seek initial advice from one of these bodies without being obliged to make a complaint. If that body advises that the conduct being experienced appears to be a type of harassment that comes within its jurisdiction, the harassed person then makes the decision as to whether or not to lodge a formal complaint to the body.

Once a complaint is received, an investigation will be undertaken. If there appears to be a case that unlawful harassment has occurred, there will usually be an attempt to conciliate the complaint confidentially first. If this fails, or is inappropriate, the matter may proceed to a formal public hearing, where a finding will be made as to whether harassment occurred. Various remedies may then be prescribed by the tribunal. These can include financial compensation for such things as distress, lost earnings or medical and counselling expenses incurred by the complainant.

It should be noted that an anti-discrimination body can decline to investigate a complaint or dismiss a complaint at any point in the investigation, conciliation or public hearing stages.

Qualifications/Training

A person, acting on behalf of Sunshine Coast Churches Soccer Association as an official Complaints Officer must demonstrate an understanding and/or experience to carry out the role, or shall be offered appropriate training to fulfil the role and responsibilities.

Extreme Weather Policy

Environmental factors regularly affect the playing of Soccer on the Sunshine Coast. While environmental factors will not usually influence whether a soccer game should commence or continue to be played, occasionally extremely adverse weather conditions may give rise to a need to assess whether players and/or officials are in environmental danger. This policy sets out the approach that Sunshine Coast Churches Soccer Association and SCCSA Clubs should adopt when assessing extreme weather conditions.

1. Hot Weather

With higher temperatures now occurring more frequently, consideration must be given to the effects of heat and humidity on elite and amateur athletes and particularly children involved in soccer activities.

1.1 Hot Weather Guidelines

The following is provided in accordance with information provided by Sports Medicine Australia (SMA). That information is referred to below under "References and Links" and should be read in conjunction with this policy.

During summer and warmer months, clubs and competition organisers are required to:

- A. Refer to the SMA Hot Weather Guidelines,
- B. Provide a copy of the SMA Beat the Heat Fact Sheet to players, parents and team officials,
- C. Provide information in relation to sun safety,
- D. Schedule games and training for cooler parts of the day or evening,
- E. Check weather forecasts the day before and closely monitor local weather conditions,
- F. Whenever available, use a weather gauge, Wet Bulb Globe Thermometer (WBGT) or Heat Stress Meter to monitor player conditions,
- G. Ensure regular hydration (water/fluid intake) by players, officials and other participants,
- H. Monitor the wellbeing of players, officials, volunteers and staff, and
- I. Increase breaks during games and training to allow rest in shade and fluid intake - referees should consider allowing at least a 2 minute drinks break in each half when ambient temperatures exceed 32°C.

1.2 Recommended Temperatures for Cancellation

The following temperatures are the maximum cancellation temperature for games, training and other events (trial games, selection trials, clinics or any physical activities).

Adults (16 years and older)- games are to be cancelled or postponed at ambient temperature of 37 degrees Celsius or above.

Children (Under 16 year old)- games are to be cancelled or postponed at ambient temperature of 34 degrees Celsius or above.

Cancellation at lower temperatures may be necessary depending on factors such as: humidity, local conditions including radiant heat from synthetic surfaces and lack of ventilation at indoor centres; player wellbeing; and player acclimatisation.

Note that young children are especially at risk in the heat and should not be forced to continue playing or training if they appear distressed or complain of feeling unwell.

2. Lightning

In Australia lightning accounts for 5 to 10 deaths and well over 100 injuries every year. A large percentage of strike victims survive but many suffer from severe lifelong injury and disability. Statistics show that approximately 25% of people killed by lightning are playing sport.

No lightning safety plan or policy will provide 100% guaranteed total safety, but every effort can be made to ensure that all preventative steps are taken.

2.1 Lightning Procedures

1. Nominate a person to be responsible for monitoring the weather conditions in your area. This may be the association secretary, club secretary or other nominated person,
2. Monitor the weather both the day before, and the day of, the match,
3. If thunderstorms occur, use the '30-30' rule to determine the distance of the storm and take appropriate action to suspend play if less than 10km away,
4. Play can resume when the '30-30' rule has been satisfied,
5. Where practicable, ensure that all present are relocated, if necessary, to a safe shelter,
6. Should a person be struck by lightning, ensure that immediate action is taken; and
7. Provide warnings to all participants of potential dangers caused by lightning and indicate safety guidelines clearly.

2.2 30-30' rule

If it takes less than 30 seconds to hear thunder after seeing the flash, lightning is near enough to pose a threat; after the storm ends, wait 30 minutes before resuming outdoor activities. This may mean games are delayed, cancelled or are rescheduled.
