

PARKING

We ask all our members to observe the parking situations as listed below. We would recommend that you turn up at games **with plenty of time to secure yourself a parking space** and to respect the neighbour's property near all grounds

Buddina – Brighwater

We request all members to respect neighbours property by not parking on their verges. Plenty of parking is available at the school grounds and nearby.

Caloundra

We have seen many members receiving parking tickets due to illegal parking. Make sure you have given yourself time to check what's inside the facility and if nothing is available to drive out and find appropriate parking.

Pacific Lutheran

This season netball games are being played [Round 6 \(2 May\)](#) [Round 12 \(20 June\)](#) [Round 13 \(27 June\)](#) when Pacific's is hosting. There is plenty of parking around the facility marked in yellow.

Unity College

At Unity there is 2 different areas to park, near their new club house and also in the school grounds.
